Hosted by: Hartley Farms

See map on reverse for directions.

This year’s trial includes 54 onion cultivars and lines from 8 different seed companies to compare and contrast under local growing conditions. The Field Day will begin with a short overview of the crop. Participants will then have an opportunity to examine the trial entries. WSU Onion Researchers will be on hand to discuss their research with those interested. A BBQ Luncheon will be held in a facility just a couple of miles from the trial.

The following companies are sponsors of the BBQ following the Field Day:

American Takii, Inc.    Gowan Seeds    Columbia Basin Onion Research Committee
Bayer/Nunhems USA, Inc. Hazera Seeds
Bejo Seeds, Inc.        Keithly-Williams Seeds
Sakata Seed, Inc.       Logan-Zenner Seed
Crookham Company        Seminis Vegetable Seeds
